

# UNDER THE DOME

SATURDAY 5:00PM OCT 9 2021 | SHORT FILMS

Stephen King's sci-fi horror novel *Under the Dome* told the harrowing tale of a small town trapped under an ominous dome. Now we present these four short films, all with stories from different capital cities around the world. These tales are as compelling as any King novel...or perhaps more so, since they are all true!

## FILMS IN THIS SCREENING
